Student Officer's Course Materials

Establishing a User Account

- Law Enforcement Officers *must* contact their agency's *TAC Officer* ***prior*** to course day.
- The *TAC Officer* will establish student officer's user name, password and conduct a signature capture.
    - It is recommended during the signature capture, officers also include his/her Rank, unique data, IBM or identifying agency alpha/numeric code associated with your daily signature.
        - Example: *Lt. Cory Reech P5207*
- Student Officers are encouraged to have your TAC Officer on standby via telephone for troubleshooting your user account.
- User Accounts will not be established at any time by the course instructor.

Lap Top Computers & Internet Access

- The instructor will have training laptop computers available for use.
- Personal or Departmental laptops are permitted and should be WIFI capable

Writing Tablet/Notebook & Pens

- Student Officers are encouraged to bring note taking materials for later reference when using the application in the field.
