### Step 1

Register on the AHA Instructor Network by going to the following website:  
[www.ahainstructornetwork.org](http://www.ahainstructornetwork.org)

New Instructors register by clicking the link “**Register**”

*\* if you already have an existing account, please do not create a new one. If you have forgotten your account login information, call 1-800-242-8721*

### Step 2

Create your account by filling out the registration fields. **Note:** You must complete *all* fields in your profile.

### Step 3

Once you create an account, **log out**, and go back onto the AHA Instructor Network. This time **sign on with your user name and password** to confirm your account has been established.

### Step 4

Once logged in click on “**Edit my profile**” found in the bottom, left-hand corner

Create An Account

Creating an account gives you a simple way to access any American Heart Association/American Stroke Association healthcare professional and consumer-focused websites with one username and password.

Protect your account. Provide security questions and answers, so that you can retrieve or reset your password anytime.

The TC Coordinator will receive an email notification of your desire to align with their facility. They may approve your alignment at this time, or they may choose to wait until you have completed all instructor certification requirements and have received your Instructor Card. Once approved, you will find the note above in **GREEN**, after clicking "**Disciplines.**"

**Welcome,  
David!**
